MINUTES OF THE JULY 12, 1986 MEETING

By Russ Mason, KG6IP, Secretary

The meeting was brought to order by W6FRZ. Steve noted that Dan, N6CGB, was absent because of illness. Self introductions were given with one visitor present, Mel Pierce, KG6ZV.

Edgar, N6OU, gave the treasurer's report. May income was $398. May expenditures were $482.00 . There is $2701 in the Money Market and $2132 in the checking account. N6IC presented the club with a check for $3100 from the convention.

W6FRZ called for a minute of silence for our fellow members who have become Silent Keys: Glen Means, W7AO, Roger Mace, W6RW, Harry Gross, K6LO, and Dick Smith, KB6UI.

Anyone needing antenna or tower work can call upon AH6EI and Ron Sparks for their expert help.

Steve, W6FRZ announced that the repeater will be moved from it's present location to K6RR's mountain top location in Corona. This will take place sometime during June.

Russ announced the estate sale for KB6UI on June 14 in Simi Valley. The corrected date for the All Asian Phone Contest is June 21 - 22nd instead of the announced date of June 15 - 16.

DX info was given by W6FRZ.

The membership list printed for the inclusion in our QSL cards to be sent to DX stations was printed incorrectly. A question was asked about this and the award certificates issued to DX stations who work SCDXC members. To be continued !

Raffle tickets were sold during the break. This was followed by our guest speaker, Mr. William Longeran of the Dept. of Water and Power.

The winners of the raffle tickets were: NK6A, KG6ZV, KF4AU, WK6V, W6GC, WR6M, KG6PV, WI6V, K6SVL, and W6VZZ.

The raffle prizes were from HRO in Anaheim and WR6M (Kenwood).

The Mystery Guest was Bill, W6VZZ . Chris, KG6AR, was the first person to greet him. Chris wins five raffle tickets at next months meeting.

Meeting adjourned.

W6FRZ SEZ

By Steve Locks, VP.

Hopefully everyone who needed Annobon has worked the 3C0A. Conditions at times were rough. Fortunately 3C0A peaked up on 20 Meters at 0200Z on the 25th of June so W6's could have a good shot at this one.

For those of you who need a QSL from the last Clipperton DX-pedition, remember, all cards go to YASME, BOX 2025, Castro Valley, CA. 94546.

The repeater is now at the new location on Sierra Peak, at the QTH of Robert Roaney, K6RR. We are now looking for reports on how well the repeater is doing and how far it is reaching .

Thanks to W6ET, and K6RR for their help.
